2010
NAPA VALLEY
SAUVIGNON BLANC

VINEYARD

The fruit for our 2010 Sauvignon Blanc was selected from prime vineyards in warmer regions of the Napa Valley, including Rutherford, St. Helena and Calistoga. The warm days and cool nights helped to develop this Sauvignon Blanc's beautiful aromatics and balanced acidity.

WINEMAKING

After the grapes arrived at the winery they were immediately destemmed and sent to the press. A cool fermentation in 100% stainless steel tanks followed, helping to preserve the quintessential Sauvignon Blanc fruit characteristics. Secondary fermentation was inhibited to retain the wines bright acidity and round mouthfeel.

WINEMAKER NOTES

"This tropical, bright Napa Valley Sauvignon Blanc presents aromas of grapefruit, kiwi, guava and blooming orange blossom. The fruit-forward theme continues onto the palate with tropical flavors set against a soft citrus background. A crisp and refreshing finish rounds out with a mouthwatering touch of lime."

– Joe Shirley, Winemaker
