NAPA VALLEY | v. 2018

With more than 40 years of winemaking heritage in California's most fabled wine region, Napa Cellars embodies the classic, unmistakable style of Napa Valley. Veteran winemaker Joe Shirley crafts our wines from estate vineyards and coveted partner sites throughout Napa's most revered sub-appellations. Meticulous care in the vineyard, coupled with gentle winemaking techniques, ensures our wines reflect the quality and richness of Napa Valley's terroir.

VINEYARDS

Grapes for the 2018 Napa Cellars Merlot are sourced from vineyards mainly from the mid-southern parts of Napa Valley, including Oak Knoll, along with a small portion from St. Helena and Carneros. These regions are ideal for cultivating Merlot grapes with moderate to cool climates that support an extended growing season, resulting in elegant, intricate, complex and balanced wine.

HARVEST

The 2018 growing season offered superlative growing conditions with abundant rain at the beginning of the year. Plenty of sunshine and moderate temperatures throughout the spring and summer led up to a harvest with great crop quality.

WINEMAKING

Once harvested, the grapes underwent a 10 to 16 day maceration period and were fermented using the délestage method. This process allows the winemaker to extract copious amounts of color and flavor from the skins, while avoiding excessive extraction of bitter and astringent flavors. After the fermentation process completed, the wine was aged for 15 months in 100% French oak barrels, 36% of which were new.

WINEMAKER NOTES

The 2018 Napa Cellars Merlot boasts aromas of dark fruit, rich black cherry, blackberry, red plum and notes of graphite, violets, toffee and spice on the nose. Flavors of dark berries with black cherry, dark chocolate, brown sugar and caramel are complemented by notes of vanilla, smoky tobacco and soft leather. This approachable wine showcases a medium to full-bodied palate with well-structured tannin and balanced acidity through a long finish.
